The Study: A needs assessment survey looking at what those of Ashkenazi Jewish Descent know about their genetics and how they would like information given to them in the future.

Who: Anybody of  
Ashkenazi Jewish Descent  
that is above the age of 18

When: Whenever is most  
appropriate for you. The  
survey takes about 10-15  
minutes whenever you can  
fit that into your schedule

Where: You can take the  
survey on either your  
computer or cell phone

How: By scanning the QR  
code or going to the link  
located on the bottom right  
side of this flyer it will take  
you directly to the survey

Why: Those of Ashkenazi  
Jewish Descent are at risk  
for certain genetic  
disorders, we want to find  
the best way to bring  
awareness of this  
information to the public
