

**Did you know that**, thanks to funds raised through the Center for Jewish Philanthropy, we are able to share the joy of Jewish summer camps with kids all across the Greater Phoenix area?

CJP wants to make it possible (and easy!) for your child to go to camp and we have the **needs-based scholarship** money available to make it happen!

Whether it's an overnight camp or a day camp, the quintessential Jewish summer camp experience is available to all kids in our community. Preference is given to overnight camp experiences.

We encourage families to apply for a needs-based Jewish camp scholarship and bring the magic of camp to your child!
